

Volunteer Opportunities

The heart of our school is the families that we serve, but we can't do it alone - we need your help! Many projects and activities throughout the year at Luther North College Prep require more hands than we have - we need your support. All of our fundraisers, including proceeds from the Wildcat concession stand, enable us to control tuition costs and provide financial aid and enhanced educational opportunities for our students. We need a lot of help to guarantee the success of these endeavors. Whether you have a commitment to service through a scholarship, or you are committed to be involved in your student's school, below is a list of the opportunities available. Please indicate where your passion lies for service, and return to the space provided or office 202.
