4th-8th Grade

Campers will bring their own lunch . Water/ Gatorade will be supplied.

# Basketball Camp Mission

The mission of the Future Wildcats Summer Basketball Camp Program is to provide in-depth teaching of fundamentals of basketball. Your child will learn the importance of good foot work, ball handling, and shooting techniques, while also learning offensive and defensive skills to excel in the game of basketball. In the morning through the week, the campers will go through fundamental stations and receive hours of personalized training from coaches and high school players. There will also be college basketball players attending to help out and motivate your child. We want to teach your child that hard work and dedication create a genuine opportunity in basketball. During the afternoon, campers will have competitions and team games which will include prizes. The camp includes a Luther North Basketball t-shirt. Prizes will also be given out to individual winners of each level.

## Coach Tucker

Coach Tucker just finished his second year as head coach at Luther North College Prep. In his first two seasons, the team has an overall record of 26-31. He has coached a third team all-state selection and has sent two athletes to play college basketball. Coach Tucker played four years of college basketball and graduated from Concordia University Chicago in 2008. He currently is a physical education teacher in Schiller Park. Coach Tucker has been around basketball for over 20 years of his life and believes in hard work and dedication. Coach Tucker also has AAU connections with Illinois Old-School where he coaches the U-16 Elite program. "This camp will make your child a better basketball player. We have a dedicated staff that will meet your child's needs in the game of basketball. The most important thing is that your child will have fun and enjoy the experience of summer basketball at its finest."
