

LUTHER NORTH COLLEGE PREP

JOB SHADOWING PROJECT

2012-2013

LNCP juniors will be applying for a job shadow day in career areas they may be interested in pursuing. Each junior will complete a resume and interview for the opportunity to spend a day with you. We will be interviewing students on:

**Thursday, March 7<sup>th</sup>**

**5:00-6:30pm**

If you aren't available to interview the students, a member of our advisory board will interview and the student chosen will contact you directly to arrange a date/time of the shadow.

You may choose multiple students, but they are required to shadow individually. The date of the shadow will be determined by you and the student and should take place in March or April. At the end of the day, you and the student will complete a questionnaire to help us further develop the student's skills.

Please complete the information below and return it to LNCP.
