Track and Cross Country

\$100

June 15-19

The track and cross country camp is designed for newcomers to the sports of track and field and cross country as well as those who are experienced in the two sports. The camp will focus on introducing skills, training principles, and techniques used in track and field and cross country, including running events such as distance running, sprinting, hurdling, and relays, as well as field events involving jumping and throwing. The camp will be led by Coach John Franklin along with other coaches and LNCP track athletes. Minimum : 10 campers

Campers need: a good pair of running shoes, proper training clothes, and a water bottle each day for camp.

Cooking & Baking

\$100

June 15-19

Campers will be instructed by LNCP Chef Franklin in the basics of cooking and baking. This camp will allow students to learn and execute basic cooking skills needed for use in everyday life. Activities will range from cooking a basic egg to preparing basic recipes that are common American classics. Campers will work individually and/or in pairs throughout the camp.

Boys'/Girls'/Coed Basketball

\$100

session 1: June 15-19

session 2: July 6-10

Campers will be instructed by the 2015 sweet sixteen finalist LNCP basketball coaches and basketball players, including coach of the year Jason Tucker. Campers will learn the fundamentals of basketball: the importance of good foot work, ball handling, and shooting techniques while also learning offensive and defensive skills to excel in the game of basketball.

Baseball and Softball

\$100

June 22-26

The goal of the Luther North College Prep baseball/softball camp is to teach fundamentals in a fun, controlled, and energetic environment. Throughout the camp, all players will take an active role in skill development as it relates to hitting, fielding, and pitching.

Campers need: gloves, gym shoes – also bats, cleats, and catching gear if they have it.

Robotics

\$100

June 22-26

Students will have an opportunity to explore the world of robotics with the use of LEGO Mindstorms kits. They will begin by building guided projects and analyzing the programs that run their 'bots. Your students will then have an opportunity to create some robots of their own and design the programs to run them! Open to 7th and 8th graders.

Campers need: a pencil and notebook for notes and drawing designs

Programming

\$100

June 22-26

Using Scratch, a free program developed by MIT, students will be introduced to the thought processes and skills used in computer programming. Scratch allows students to explore the fundamentals of programming using blocks to create animations and programs. Open to 5th & 6th graders

Campers need: a pencil and notebook for notes and drawing designs

Coed Volleyball

\$100

June 22-26

Campers will learn basic volleyball skills, including passing, setting, hitting, and serving, as well as the team aspects that make volleyball a fun and challenging endeavor.

Campers need: proper work-out attire gym shoes, water/sports drink and towel
